

Survey – consultation on admission arrangements for 2016/17 School Admissions Team

As you are aware, the School Admissions Team recently carried out consultation on your school's proposed admission arrangements for the 2016/17 school year. This included:

- drafting the admission arrangements consultation report, including catchment map
- drafting a consultation online response form
- drafting the school's website wording pre and post consultation
- drafting a consultation letters to be sent to the parents/carers of children attending your school, local nurseries and other parties
- giving advice on procedures to be followed pre and post consultation

In order to improve the service in the future, it would be extremely helpful if you could give your feedback on the service provided. The survey should only take a few minutes to complete. Please indicate your answer to each question and add a comment if you feel it is appropriate:
