School to club links

- Brocklewood is now home to a number of community sports clubs that take place at Brocklehigh. Clubs include Cobra Judo, Kicking boxing , Karate & Bilborough Utd under 10 & under 11 football teams. Thus giving children and parents access to community sports clubs in a familiar environment in their area.

Intra – class sports competition

- Working and developing young leaders in KS2.
- Children in yr 3,4,5 & 6 will have more opportunities to take part in the class sports competition.

F2 will have a potted sports day

Lower key stage will have a competitive potted sports day

Upper key stage will have an Olympic style sports day.

The hiring of a sports apprentice 2013-2014 (£8,009.27)

- The appointment of Joe (sports apprentice) has enabled after school sports club to double in number, sports teams to more than double in number and competitions entered have tripled in number.
- Working alongside the PE Co-ordinator , Joe has access to all resources for planning and has weekly feedback regarding his lessons/clubs to ensure that he is delivering sessions at the highest level.
- Joe is also able to support on the yard at some playtimes and lunchtimes – reinforcing good sporting behaviour and providing activities/games for the children to play.
- Joe is full time meaning that he can build good relationships with the children at Brocklewood.
- Joe has also supported the PE Co-ordinator in the development of community sport at Brocklehigh.
- Joe - with support from the PE Co-ordinator - is developing some KS1 PE planning that teachers will be able to use.

The employment of Joe Brothwell 2014-2015

With the continued sports premium Brocklewood have been able to employ the sports apprentice of 2013-2014. This means that the above can continue to grow & develop. Brocklewood have also been able to appoint a play leader meaning that both Joe and the play leader support and offer sporting activity during lunchtime.

Curriculum PE

Not only has this improved with the support of Joe, but Brocklewood have been able to hire specialist coaches (currently Gymnastics) to help support and lead PE lessons. These sessions are led

by the coach with the teacher present and all planning is passed on so the teacher can lead these sessions in the future.

Other areas the money has impacted

- Transport to competitions.
- CPD (for both PE Co-ordinator and Joe Brothwell)
- Equipment – being able to update/replace sporting equipment including equipment for break and lunch time use.
