Dear parents/carers,

The teaching of Relationship and sex education will be taught during the summer term. It is an important aspect of your child's education and helps to develop self-confidence as well as preparing them for the physical and emotional changes into adulthood. Below is a guide to what each year group will be covering. All year groups will also be looking at the NSPCC pants programme. Your child's class teacher will send you a Marvellous Me when they teach the lesson so you are aware of what your child has done.
