

# PE and School Sports News!

The second half of the Autumn term is complete and children have been incredibly active once again. See below at some of the exciting things Brocklewood have been taking part in. Don't forget to check out the PE & Sports page on our school website to see more photos of the term.

## After school sports clubs

After school clubs have been well attended all term. They are great fun and a great way to be active. You can go to the school office to get an expression of interest letter if you would like your child to start an after school club.

## Events and Fixtures

Boy's and Girl's Football Teams

Despite the very wet weather, our football teams have been busy completing the first half of their fixtures and events. It has been great to see so many children representing our teams.

## Basketball Team

The 'Badgers' basketball team have started their events, leagues & fixtures this half term. It has been a very exciting start with some outstanding basketball on show. 19 children have

been part of the team over the half term and I look forward to more children getting involved next term.

### **School Sports Nottingham Events**

This half term children from Brocklewood have represented our school in a number of Nottingham city events and competitions with teams taking part in **multi-sports events, basketball, sports hall athletics, gymnastics and handball.**

A special mention to our **gymnastics team** who managed to finish in 5<sup>th</sup> place out of 12 teams – a great achievement.

Also our **year 4 handball team** were undefeated in the handball festival they took part in demonstrating some fantastic skills and teamwork.

## Sheriff's challenge

The sheriff's challenge is well under way. This is a challenge to see which class can be the most active over the term. This half term it was 5H. Their prize was to go on a Christmas ice skating trip!

Well done everyone! I look forward to even more children representing our school in the spring term. To see more photos and information about PE and school sport at Brocklewood be sure to check out the PE and sport pages of our school website.

If you have any questions or would like more information regarding anything to do with PE and school sport then do feel free to come and see me.
