

PE and School Sports

News!

We have had a great first half of the Spring term! Have a look below at some of the exciting things that have been happening. Don't forget to check out the PE & Sports page on our school website to see more photos of the half term.

Events and Fixtures

Boy's and Girl's Football Teams

The second half of football fixtures have got underway with our year 4/5 team involved in some very close games. On both occasions they were narrowly defeated 2-1 by Fernwood and Whitemoor.

The year 5/6 team and girl's team will complete their fixtures in the next half term.

Basketball Team

The 'Badgers' basketball team have been busy with their events, rallies and fixtures. It has been great to see so many children involved. They currently sit top of the family of schools league and have been playing some fantastic basketball. There is plenty more basketball to come this year and I am excited to see them improve.

School Sports Nottingham Events

This half term children from Brocklewood have represented our school in a number of Nottingham city events and competitions with teams taking part in **Cross Country Running, multi-sports events, dodgeball, sports hall athletics, handball and Boccia.**

A special mention to our **Year 3/4 Sports hall athletics team** who managed to win the Transform Trust Heat and qualify for the Nottingham City semi-finals.

Also our **year 5/6 handball team** have qualified for the Nottingham City Final that takes place after half term.

Sheriff's challenge

The sheriff's challenge is well under way. This is a challenge to see which class can be the most active over the half term. This half term the top 3 classes got to experience a Gaga ball session – this is an American twist on dodgeball and was great fun – Well done 5H, 4H and 3J!

The school sports committee

Our school sports committee met at the start of this term. They were keen to get our lunchtime challenges underway and have been helping with the leading and scoring of these. They also agreed that they would like to see Brocklewood have their own sports

leagues and this has already started at our Boccia and Kurling club and the new Handball league will begin next half term.

I can't believe we are half way through the year already but delighted with the amount of children accessing sport at Brocklewood. Don't forget to collect an expression of interest letter from our school office if you would like to join a club. To see more photos and information about PE and school sport at Brocklewood be sure to check out the PE and sport pages of our school website.

If you have any questions or would like more information regarding anything to do with PE and school sport then do feel free to come and see me.

C.Pinnington (PE and School Sports Lead)
