

# PE and School Sports News!

The second half of Spring term has come to an abrupt end with many events having to be cancelled. Below however is a round up of what did take place and I can't wait to get things started up again as soon as it is safe to do so.

## Events and Fixtures

### Boy's and Girl's Football Teams

The year 4/5 football team completed their season with a really close and exciting 2-2 draw with Jubilee.

The year 5/6 team managed to play two out of the three rounds of games scheduled and finished the season in third place, which is a really good effort!

Unfortunately, the girl's matches were scheduled to take place in the two weeks leading up to the Easter holidays.

### Basketball Team

The 'Badgers' basketball team took part in a rally just after the half term break recording 2 victories from 2 in a really competitive event. There is plenty more basketball in the dairy but it is unclear as of yet if these events will take place.

### School Sports Nottingham Events

Although the half term has been cut short Brocklewood still took part in the **handball finals** and the **year 3/4 sports hall athletics semi finals**.

**The year 5/6 handball team** did brilliantly well to qualify for the finals – in an incredibly high standard of competition Brocklewood finished in 7<sup>th</sup> place overall. Well done!

A special mention to our **Year 3/4 sports hall athletics team** who finished in 2<sup>nd</sup> place in their semi-final and have qualified for the GRAND FINAL! This is such a fantastic achievement. The final was due to take place before Easter and the hope is that it will now take place in the summer term – fingers crossed!

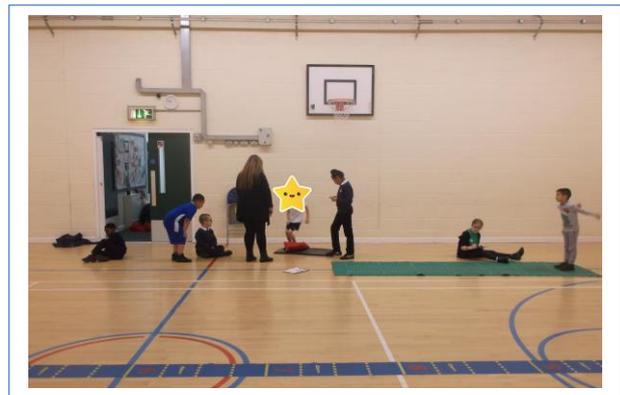

### **In School Sports Leagues**

Our in school sports leagues have begun. Children who have been attending our Boccia and Kurling club have been having a competition with each other and also our in school handball league has started.

### **The school sports committee**

Our school sports committee have been busy! They helped score the games at the family of schools Boccia and Kurling competition and helped with the year 2 children taking part in the personal best challenge.

## **PE at home**

It is very important to keep active! For ideas of what sorts of things you can do head over to our PE home learning page on our school website. <http://brocklewoodprimaryschool.co.uk/pe/>

It has been a great school year of PE and school sport at Brocklewood so far and I am so sad that things have needed to pause for now. Remember – try and stay as active as possible over the coming weeks and I look forward to getting things back up and running soon!

C.Pinnington (PE and School Sports Lead)
