

PE and School Sports News!

The summer term is here and of course things are not as we would like them to be. However, there are plenty of ways to keep active and have fun with PE and sport at home.

Sport News

Although fixtures, events and competitions are not taking place at the moment I received some exciting news from Jimmy 'jump-shot' Smith regarding our basketball team.

Teams of the Month 2019-20 Academic Year

October 2019- All Hallows C of E Primary

November 2019- Windmill LEAD Primary and Belton Lane Community Primary

December 2019- Burford Primary

January 2020- St. Ann's Well Academy Primary

February 2020- Brocklewood Primary

March 2020 -West Bridgford Junior School

The Brocklewood 'badgers' were named team of the month for February! It has been fantastic to have so many children represent the team this year and they should be very proud with the award.

The 'go for gold' challenge

I hope you have been enjoying the challenges set by school sport Nottingham. All the challenges can be found on our website (<http://brocklewoodprimaryschool.co.uk/pe/>) just click on the links and you will have all the information you need.

Stay at home class sports competition

I would like to challenge **you all** to choose at least one of the 'go for gold' challenges and send me your score and a photo/video if possible over Dojo. There will be a prize for the class that has the most children taking part and individual prizes for the most active children! So every time you do a challenge or a PE activity do let me or your class teacher know and I will be keeping track! Make sure you contact others in your class and tell them about the challenge! Will your class be the most active!?

You can also enter the School Sport Nottingham competition by following the instructions given on the links. I have been doing these with my boys and they are enjoying them!

Here's the speed bounce challenge being done over the door divider at home.

PE at home

It is very important to keep active! For ideas of what sorts of things you can do head over to our PE home learning page on our school website.

<http://brocklewoodprimaryschool.co.uk/pe/>

There are some exciting events and activities coming up and I will send out information over the Dojo school story page for you all to access. If you are not connected to Dojo please ask your class teacher and they will set you up. If you would like any more information about any of the activities/challenges and links on our website do please contact me over Dojo or emailing the school office.

PE and school sport is likely to look a little different as we return to school safely. One thing that will be the same however is that Brocklewood will stay as active as possible!

Stay safe everyone!

C.Pinnington (PE and School Sports Lead)
