Sports leaders/sports committee

Vison for next academic year

- To continue for offer a vast and inclusive PE and school sports programme and to again ensure as many children as possible experience a sports team
- To develop our sports committee and sports leaders programme further to include termly meetings
- To establish a year 1 and 2 active class competition (like the sheriffs challenge in years 3-6)
- To be part of project 19/20 ran by TLG PE to give teachers more CPD opportunities and to build on the previous years' work.
- To develop the way we track and assess children in PE to ensure every child is challenged and reaching their full potential.
